Answer the Alarm!

Norway People Should Not Delay

If your kidneys are inflamed,

Don't stand around and do nothing.

Like a fire it will soon be beyond con-

trol.

You will get the alarm in time—

Backache, or dizziness or disorders of

the urine.

Heed the warning.

Give your kidneys a rest by living more

carefully.

Use Doan's Kidney Pills to help stamp

out the cause.

Profit by Norway woman's experience.

Mrs. Mary Gammon, 14 Beal St., says:

"I have kept Doan's Kidney Pills on

hand for years, in fact, ever since I first

took them nearly ten years ago. The

symptoms I noticed at that time indicated

kidney complaint. There was a dull, heav-

vy ache across the small of back and of-

ten attacks of dizziness came over me.

Doan's Kidney Pills, which I got from

Frank Kimball's Drug Store, proved fine

in relieving me of these troubles. I take

Doan's off and on now and couldn't wish

for anything better to keep my kidneys

in good condition.

"We just mopped 'em up"

"Those boys didn't know what retreat meant. And, pep! Say, every mother's son charged as tho' he was the whole American Army. It was the proudest moment of my life."

More than 32,871,000 tins of Velvet Tobacco were sent to the boys in France—enough, if placed end to end, to reach 2340 miles or nearly from New York to Brest. How much it helped them, their friendly letters testify.

Velvet makes friends easily—because, like true friendship, it has been allowed to ripen naturally. For two years, Velvet ages in wooden hogsheads, and when it comes out it is just right—no kick, no bite, no harshness.

You and Velvet—begin that friendship now.

Accidents will Happen

Do you know how much your motor-car is worth to you?

You know what it cost, and you can make a reasonably close estimate of its depreciation, but suppose your car is damaged, stolen, or destroyed, WHAT THEN? Will it be a partial or total loss?

Every day you read of cars being stolen from garages or while standing in the street. Grave danger of fire or explosion always exists where gasoline is used. Collisions are of every day occurrence, and cannot always be prevented, even by careful driving. YOU may be the next to suffer loss—you cannot tell.

Which is wiser—to take the risk yourself, or to shift the responsibility upon those whose business it is to assume such risks?

We will insure your car against Fire, Theft, Personal Liability, Property Damage, Collision or the hazards of transportation.

Note the Model Number, Make and Model Year of your car and mail to us to-day and we will tell you how you can estimate the exact value of your car at any time, whether it be standing safely in your Garage or lying by the roadside, a piece of tangled JUNK.

Build Now

The general opinion of those qualified to judge is that all building material will be higher instead of lower, and we believe this ourselves. At this time we have a complete stock of all kinds of building material; but most impossible to get shipments from the mills and in our opinion the situation in this respect will not improve, so we say BUILD NOW.

MOTHERS TO BE

Should Read Mrs. Monahan's Letter Published by Her Permission.

Mitchell, Ind.—"Lydia E. Pinkham's Vegetable Compound helped me so much during the time I was looking forward to the coming of my little one that I am recommending it to other expectant mothers. Before taking it, sometimes I suffered with neuralgia so badly that I thought I could not live, but after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely relieved of neuralgia, I had gained in strength and was able to go around and do all my housework. My baby when seven months old weighed 19 pounds and I feel better than I have for a long time. I never had any medicine do me so much good."—Mrs. PEARL MONTHAN, Mitchell, Ind.

Good health during maternity is a most important factor to both mother and child, and many letters have been received by the Lydia E. Pinkham Medicine Co., Lynn, Mass., telling of health restored during this trying period by the use of Lydia E. Pinkham's Vegetable Compound.
